

Turtle Beach Ear Force XO Seven Side Plates Replacement

Remove the side plate of the Ear Force XO Seven.

Written By: Nancy Truong

INTRODUCTION

This guide will teach you how to remove the side plate from the headset. You can use a metal spudger or your fingernail to remove the side plate. If you decide to use your fingernail, be warned that it will be a bit more difficult.

TOOLS:

- [Metal Spudger](#) (1)
-

Step 1 — Insert metal spudgner

- Find the small notch on the side (left or right) of the side plate.
- Insert the metal spudgner into the notch.
- ⓘ If you're using your finger nail, insert your fingernail into the notch.

Step 2 — Apply pressure

- Apply a gentle pressure outward so that the side plate will pop off.

To put the side plate back, simply snap the side plate into place.
